

Group Programmes

An increasingly popular way of choosing to study with us is for groups of students, either from the same school or just from the same country, to travel and stay together as a group. In this way they gain all the benefits of being with friends and a group leader whilst mixing with our many different nationalities on campus.

Group Programmes Specifications

Our courses are genuinely tailor-made for each group, depending on what they wish to focus on, whether it is particular sports and excursions or specific academic subjects. We can also arrange English Plus' courses for groups in this way. Groups of all sizes are welcome at any time apart from Christmas, and can stay for any length of time to suit them.

Please contact us to discuss a particular package for you.
